

OUTREACH

The EUCE engages in a broad range of outreach activities designed to teach about the European Union and to communicate its policies. These activities are geared in particular towards high schools and the media. We operate in close cooperation with the EU consular community in Miami, European-American chambers of commerce and cultural societies.

Journalist and Editors Workshops

The EUCE regularly contributes a European perspective to the Journalism and Editors Workshop convened by FIU's Latin American and Caribbean Center. The workshop brings together journalists from the hemisphere to discuss of contemporary urgency.

Recent EUCE contributions have included:
